

COURSE NAME: DATAWAREHOUSING AND DATAMINING FOR MEDICAL APPLICATIONS

COURSE CODE: CSA1654

NAME OF THE STUDENT:C.GUNA TEJA

REG NO:192111165

DEPARTMENT:CSE

The image shows a screenshot of an RStudio IDE window. The top-left pane contains the R script editor with the following code:

```
1 x <- c(3,4,13,31,-8,9,6,19,4,1,4)
2 print("vector:")
3 x
```

The top-right pane shows the 'Environment' tab with a 'Global' environment containing the variable 'x' of type 'double'.

The bottom-right pane shows the 'Output' tab with the following text:

```
[1] "vector:"
[1] 3 4 13 31 -8 9 6 19 4 1 4

[Execution complete with exit code 0]
```

The bottom-left pane shows the 'Console' tab, which is currently empty.
